

*Commands
the Air*

An QMS ISO 9001: 2008 Certified Company.

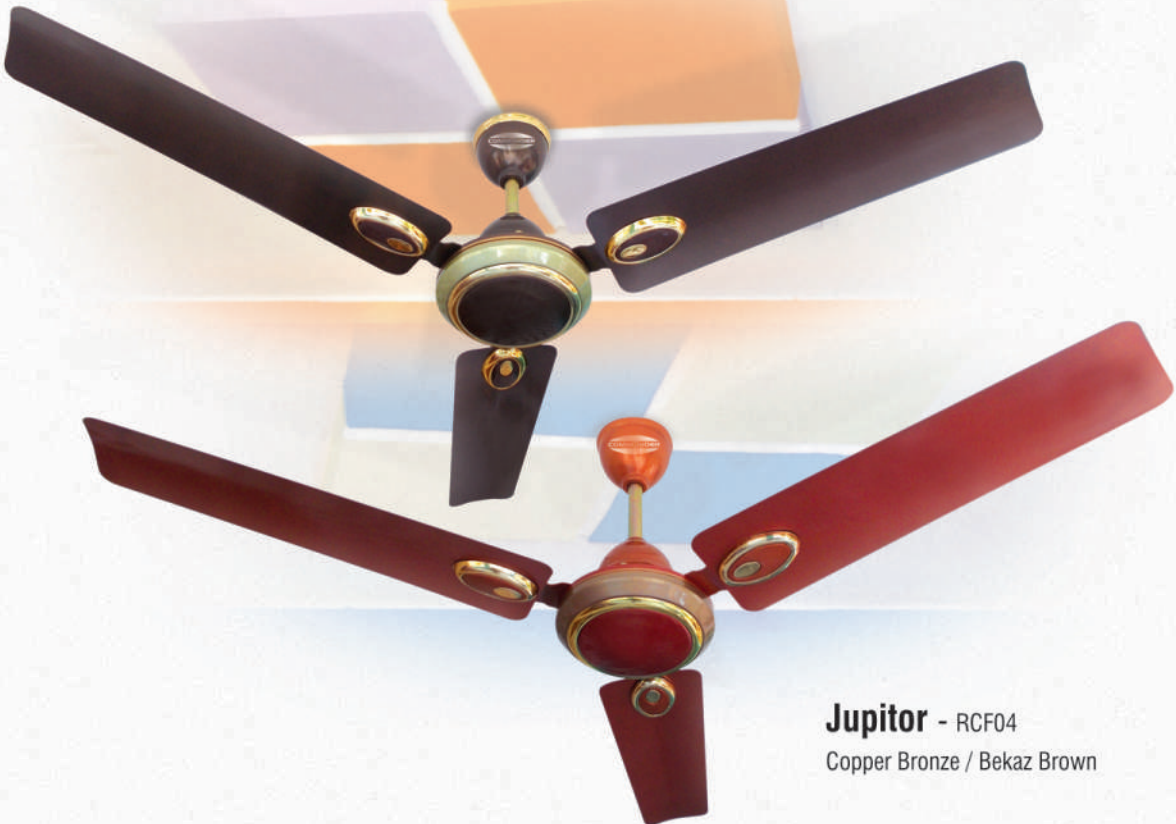

Designed
to inspire. Commander's wide
array of ceiling fans refresh your mood
with a cool breeze. These ingeniously
designed, energy-efficient fans not only assist
you in cooling your premises, but also their stylish
designs add an elegant look to the room. The
aerodynamic blades ensure maximum air delivery,
superior air throw, optimum performance and
durability. The Fans division of Commander
constantly endeavours to deliver flexibility,
easier installation and the best experience.

Switch on an Commander Fan and
simple cool off.
